

Restore & Thrive - Strategy Map

PURPOSE

Together, proud to deliver to the highest possible standards for ARC in all we do

Visionary Goal for our Culture

By December 2026 we have become one team working together to achieve an enriched, sustainable and united region.

Strategic **Aspiration**

We will ensure our people are safe and well

We are accountable for our commitments

The community is proud of what we do - we leave things better than when we found them

Safety is important. We take it seriously

We use our resources sustainably

The people who work at ARC are known as part of the community

Strategic **Priorities**

We work as a team

We all own our priorities

Our community understands what we do and what it costs

We develop and support each other

We set realistic goals.

We collaborate and connect with our community

Strategic Initiatives One Council, One Team **#ARC Proud**

We know what we do, why we do it and we do it sustainably

Our people have the tools and skills to share their stories

Enablers

Systems & process

Compliance & governance

Learning and Development

Values
