Aged and Disability Services

The Kent House Community Centre is fully accessible and located in the CBD. The Kent House Community Centre is used by community groups and local service providers delivering support services to the aged and people living with disability. The Kent House Community Centre is an excellent training venue.

There are two different user groups each attracting a different hire rate. The definitions of these groups are:

Non-Commercial Rate (not for profit groups) “an organisation or group which receives external grants and/or government funding and hold a Public Liability Insurance Policy acceptable to Council”.

Commercial Rate (government agencies, commercial operators & for profit groups) “state or federal government agencies or organisations run as a commercial operation and hold a Public Liability Insurance Policy acceptable to Council”.
